

REMARKS

The claims have been amended to substitute references to "program control" with explicit references to manipulation of progression of program segments (*see* Application, p. 15, l. 34). As noted in the previous response, such a feature is not disclosed in the cited prior art. Examination of the claims as amended is respectfully requested.

CONCLUSION

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 303-571-4000.

Respectfully submitted,
